

Permit to Establish or Occupy a Temporary Home

This document is produced as a guide only. Whilst every effort has been made to ensure the information contained in this document is true and correct at the time of printing, changes may have occurred to legislation in the interim. No responsibility or liability is accepted by Council or any of its representatives for any errors or omissions. It is recommended confirmation of information in this document should be sought from the nominated certifier.

Purpose of This Information Sheet

To provide information on requirements for obtaining a permit for the establishment/occupation of a temporary residence.

Legislation

- Subordinate Local Law No. 1.3 (Establishment or Occupation of a Temporary Home) 2011
- Local Law No. 1 (Administration) 2011 - providing a legal and procedural framework for the prescribed activity
- Website to view Laws: www.hpw.qld.gov.au/local-government/current-model-local-laws.html

Overview of the Process / Other Details To Note

- Application lodged with Council.
- Assessment is undertaken within 28 days. Each application is assessed on its merits based on the information provided and in accordance with the relevant local law. Assessment is based on the type of structure, facilities available to ensure the health and wellbeing of the occupants, amenity and aesthetics of the structure in relation to the area.
- Further information may be requested to enable assessment to be completed.
- Decision is issued. Conditions of approval or reasons for refusal are provided.
- If refused, opportunity is available for the applicant to request a review of the decision.
- Note: for non-sewered areas: preference will be given to the pre-installation of a sewage treatment system. Appropriate approval is to be obtained before this work is undertaken.
- Note: for town-sewer serviced areas; connection will be required to the town sewer system. Separate approval to be obtained.

Documents Required for Lodging the Application

1. **Application form.** Note, all questions on the form must be completed.
2. **A floor plan** (to scale) showing the floor layout and dimensions of the proposed temporary home. Rooms and location of facilities are to be identified.
3. **Site plan** with the following information:-
 - Location of the temporary home and distance of same from the property boundaries,
 - Location of septic system (if being installed),
 - Location of any waterways on the property,
 - Identifying the road to the property and location of access point to the property.
4. **Details of the operation** of the proposed temporary home, ie type of sanitary facilities to be provided for the toilet, bath, laundry; type of water storage facilities; method of disposal of refuse.

Enquiries

Enquiries should be referred to Council's Building Section.

	Signature of Owner/s:	Date:

IMPORTANT: No work may be undertaken prior to the approval of a Temporary Home Permit. Permits may be issued for a maximum of 18 months. Permits cannot be renewed, but the local government may extend the term to coincide with the expected completion date of a permanent residence that is, when the application for extension is made, under construction and likely to be finished within a reasonable time. The temporary accommodation may not be used as a second accommodation facility when the permanent accommodation is occupied.
