7.	Prior to the commencement of the use, the development shall be connected to an appropriately designed and approved onsite sewerage effluent disposal system suitable for the demand generated by the dwelling, in accordance with the Queensland Plumbing and Wastewater Code, to the satisfaction of and at no cost to Council. It may be necessary for Council to use such bonds for the completion of outstanding works without a specific timeframe agreed. The decision to accept bonds or other securities to satisfy a condition will be that of Council, not the applicant.

This approval will lapse if the use has not commenced within six years of the date the development approval takes effect, in accordance with the provisions contained in sections 85(i)(a) of the <i>Planning Act 2016</i>. Section 86 of the <i>Planning Act 2016</i> sets out how an extension to the period of approval can be requested.

Part 2 Development tribunal

Division 1 General

233 Appointment of referees

(1) The Minister, or chief executive, (the appointer) may appoint a person to be a referee, by an appointment notice, if the appointer considers the person—

(a) has the qualifications or experience prescribed by regulation; and

(b) has demonstrated an ability—

(i) to negotiate and mediate outcomes between parties to a proceeding; and

(ii) to apply the principles of natural justice;
and

(iii) to analyse complex technical issues;
and

(iv) to communicate effectively, including,
for example, to write informed succinct and
well-organised decisions, reports,
submissions or other documents.

(2) The appointer may—

(a) appoint a referee for the term, of not more
than 3 years, stated in the appointment notice;
and

(b) reappoint a referee, by notice, for further
terms of not more than 3 years.

(3) If an appointer appoints a public service officer as
a referee, the officer holds the appointment
concurrently with any other appointment that the
officer holds in the public service.

(4) A referee must not sit on a tribunal unless the
referee has given a declaration, in the approved
form and signed by the referee, to the chief
executive.

(5) The appointer may cancel a referee's
appointment at any time by giving a notice,
signed by the appointer, to the referee.

(6) A referee may resign the referee's appointment
at any time by giving a notice, signed by the
referee, to the appointer.

(7) In this section—

appointment notice means—

(a) if the Minister gives the notice—a gazette
notice; or

(b) if the chief executive gives the notice—a
notice given to the person appointed as a referee.

234 Referee with conflict of interest

(1) This section applies if the chief executive informs
a referee that the chief executive proposes to
appoint the referee as a tribunal member, and
either or both of the following apply—

(a) the tribunal is to hear a matter about
premises—

(i) the referee owns; or

(ii) for which the referee was, is, or is to be,
an architect, builder, drainer, engineer,
planner, plumber, plumbing inspector,
certifier, site evaluator or soil assessor; or

(iii) for which the referee has been, is, or will
be, engaged by any party in the referee's
capacity as an accountant, lawyer or other
professional; or

(iv) situated or to be situated in the area of
a local government of which the referee is
an officer, employee or councillor;

(b) the referee has a direct or indirect personal
interest in a matter to be considered by the
tribunal, and the interest could conflict with the
proper performance of the referee's functions for
the tribunal's consideration of the matter.

(2) However, this section does not apply to a referee
only because the referee previously acted in
relation to the preparation of a relevant local
planning instrument.

(3) The referee must notify the chief executive that
this section applies to the referee, and on doing
so, the chief executive must not appoint the
referee to the tribunal.

(4) If a tribunal member is, or becomes, aware the
member should not have been appointed to the
tribunal, the member must not act, or continue to
act, as a member of the tribunal.

235 Establishing development tribunal

chairperson for each tribunal.

(4) A regulation may specify the qualifications or

- (b) if the assessment manager started the proceedings—the applicant.*

241 Application for declaration about change to development approval

- (1) This section applies to a change application for a development approval if—*
 - (a) the approval is for a material change of use of premises that involves the use of a classified building; and*
 - (b) the responsible entity for the change application is not the P&E Court.*
- (2) The applicant, or responsible entity, for the change application may start proceedings for a*

declaration about whether the proposed change to the approval is a minor change.

- (a) the registrar receives a document purporting to start tribunal proceedings, accompanied by the required fee; and
- (b) the document does not comply with any requirement under this Act for validly starting the proceedings.

(2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).

(3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect,

because of the noncompliance, to the person who filed the document.

(4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.

(5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

244 Ending tribunal proceedings or establishing new tribunal

(1) The chief executive may decide not to establish a tribunal when a document starting tribunal proceedings is filed, if the chief executive considers it is not reasonably practicable to establish a tribunal.

Examples of when it is not reasonably practicable to establish a tribunal—

- there are no qualified referees or insufficient qualified referees because of a conflict of interest
- the referees who are available will not be able to decide the proceedings in a timely way

(2) If the chief executive considers a tribunal established for tribunal proceedings—

(a) does not have the expertise to hear or decide the proceedings; or

(b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example); the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.

(3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.

(4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.

(5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the chief

executive gives the decision notice to the party who started the proceedings.

- (6) The decision notice must state the effect of subsection (5).

- (b) to end the proceedings.

- material about the proceedings (plans, for example)
- information to help the chief executive decide whether to excuse noncompliance under section 243
- for a deemed refusal—a statement of the reasons why the entity responsible for deciding the application had not decided the application during the period for deciding the application.

- (2) The person must give the information to the registrar within 10 business days after the registrar asks for the information.

247 Representation of Minister if State interest involved

- (4) Otherwise, the tribunal must give notice of the time and place of the hearing to all parties.

- (5) The tribunal may decide the proceedings without a party's submission (written or oral) if—

- (a) for proceedings to be decided on submissions—the party's submission is not received within the time stated in the notice given under subsection (3); or

A tribunal may, at any time during tribunal proceedings, make any direction or order that the tribunal considers appropriate.

Examples of directions—

- a direction to an applicant about how to make their development application comply with this Act

(1) A tribunal may decide that the tribunal has no jurisdiction for tribunal proceedings, at any time before the proceedings are decided—

(a) on the tribunal's initiative; or

(b) on the application of a party.

(2) If the tribunal decides that the tribunal has no jurisdiction, the tribunal must give a decision notice about the decision to all parties to the proceedings.

(3) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the tribunal gives the decision notice to the party who started the proceedings.

(4) The decision notice must state the effect of subsection (3).

(5) If the tribunal decides to end the proceedings, the fee paid to start the proceedings is not refundable.

253 Conduct of appeals

(3) However, the tribunal must not make a change, other than a minor change, to a development application.

(4) The tribunal's decision takes the place of the decision appealed against.

(5) The tribunal's decision starts to have effect—

(a) if a party does not appeal the decision—at the end of the appeal period for the decision; or

(b) if a party appeals against the decision to the P&E Court—subject to the decision of the court, when the appeal ends.
