## **Notice about decision - Statement of reasons**

The following information is provided in accordance with section 63 (5) of the *Planning Act 2016* and must be published on the assessment managers website.

The development application for Material Change of Use to establish "Accommodation activities" – "Dwelling House" (including ancillary Domestic Outbuilding) and Operational Works – "Earthworks"

23/42

12 Old Kildonan Road, Goondiwindi

Lot 4 on RP81144

On 20 December 2023, the above development application was:

- ☐ approved in full or  
☐ approved in part for \_\_\_\_\_ or  
☒ approved in full with conditions or  
☐ approved in part for \_\_\_\_\_, with conditions or  
☐ refused.

### **1. Reasons for the decision**

The reasons for this decision are:

- Having regard to the relevant criteria in the Goondiwindi Region Planning Scheme 2018, the proposed development satisfied all relevant criteria, and was approved subject to appropriate, relevant and reasonable conditions.

### **2. Assessment benchmarks**

The following are the benchmarks applying for this development:

<b>Benchmarks applying for the development</b>	<b>Benchmark reference</b>
Rural Residential Zone Code	PO1-PO7
Operational Works Code	PO1-PO5
Transport & Infrastructure Code	PO1-PO15
Bushfire Hazard Overlay Code	PO1-PO8
Flood Hazard Overlay Code	PO1-PO4
Natural Resources Overlay Code	PO5-PO8

### 3. Compliance with benchmarks

Benchmark reference	Reasons for the approval despite non-compliance with benchmark
<b>Rural Residential Zone Code</b>	
<b>AO2.1</b> <i>Buildings and structures, other than garden structures are setback a minimum of:</i> (a) 15 metres from all road frontages; and (b) 5 metres from side and rear boundaries.	<b>Alternative Solution</b> The shed and carport is proposed to be setback 1m from the road boundary and 1m from the north-western side boundary. Further, the Dwelling House is proposed to be setback 2.5m from the north-western side boundary. The applicant states that the buildings and structures have been sited as such to respond to the constraints of the site and provide sufficient on-site wastewater disposal area.  While the setbacks are not in keeping with surrounding development, it is not considered that it is inconsistent with the character of the zone and there remains sufficient separation between the proposal and adjoining premises.
<b>AO2.2</b> Extensions to existing buildings and structures already located within the boundary setback: (a) the existing building line is maintained	
<b>AO2.3</b> Replacement of an existing building and structure, where the existing building and structure was located within the boundary setback: (a) the new building boundary setback is no closer to any property boundary than the existing building being replaced.	
<b>AO7.1</b> Development, including vegetation clearing, does not occur within 10 metres of the base of a levee bank.  OR <b>AO7.2</b> Development within 10m of the base of a levee bank is certified by a Registered Professional engineer if Queensland (RPEQ) that the development does not impact on the structural integrity of the levee bank.	<b>Condition to Comply</b> The proposed dwelling will be located within 10m of the base of the levee bank. Conditions will therefore be applied to achieve compliance with AO7.2, where certification must be provided by a suitably qualified person.
<b>Transport &amp; Infrastructure Code</b>	
<b>AO12.1</b> All on-site vehicle parking, manoeuvring, loading and unloading areas are designed and constructed in accordance with <i>Australian Standard AS2890</i> and <b>SC6.2 – Planning Scheme Policy 1 – Land Development Standards</b> .	<b>Complies</b> All parking and manoeuvring areas will be conditioned to be constructed to a suitable residential standard.  <b>Alternative Solution</b> The proposed carport is setback 1m from the road frontage boundary and vehicles using this area will not enter and exit in a forward gear. The development is not considered to impact the safe operation of the road network despite the non-compliance.
<b>AO12.2</b> Development provides for all vehicles to enter and exit the site in forward gear.

(a) has the qualifications or experience prescribed by regulation; and

(b) has demonstrated an ability—

(i) to negotiate and mediate outcomes between parties to a proceeding; and

(ii) to apply the principles of natural justice;  
and

(iii) to analyse complex technical issues;  
and

(iv) to communicate effectively, including,  
for example, to write informed succinct and  
well-organised decisions, reports,  
submissions or other documents.

(2) The appointer may—

(a) appoint a referee for the term, of not more  
than 3 years, stated in the appointment notice;  
and

(b) reappoint a referee, by notice, for further  
terms of not more than 3 years.

(3) If an appointer appoints a public service officer as  
a referee, the officer holds the appointment  
concurrently with any other appointment that the  
officer holds in the public service.

(4) A referee must not sit on a tribunal unless the  
referee has given a declaration, in the approved  
form and signed by the referee, to the chief  
executive.

(5) The appointer may cancel a referee's  
appointment at any time by giving a notice,  
signed by the appointer, to the referee.

(6) A referee may resign the referee's appointment  
at any time by giving a notice, signed by the  
referee, to the appointer.

(7) In this section—

notice; or

(b) if the chief executive gives the notice—a  
notice given to the person appointed as a referee.

premises—

(i) the referee owns; or

(ii) for which the referee was, is, or is to be,  
an architect, builder, drainer, engineer,  
planner, plumber, plumbing inspector,  
certifier, site evaluator or soil assessor; or

be, engaged by any party in the referee's  
capacity as an accountant, lawyer or other  
professional; or

(iv) situated or to be situated in the area of  
a local government of which the referee is  
an officer, employee or councillor;

(b) the referee has a direct or indirect personal  
interest in a matter to be considered by the  
tribunal, and the interest could conflict with the  
proper performance of the referee's functions for  
the tribunal's consideration of the matter.

(2) However, this section does not apply to a referee  
only because the referee previously acted in  
relation to the preparation of a relevant local  
planning instrument.

(3) The referee must notify the chief executive that  
this section applies to the referee, and on doing  
so, the chief executive must not appoint the  
referee to the tribunal.

member should not have been appointed to the  
tribunal, the member must not act, or continue to  
act, as a member of the tribunal.

### **238 Registrar and other officers**

- (1) The chief executive may, by gazette notice, appoint—*
  - (a) a registrar; and*

#### **243 Chief executive excusing noncompliance**

- (1) This section applies if—

- (a) the registrar receives a document purporting to start tribunal proceedings, accompanied by the required fee; and
- (b) the document does not comply with any requirement under this Act for validly starting the proceedings.

- (2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).

- (3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect,

because of the noncompliance, to the person who filed the document.

- (4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.

- (5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

#### **244 Ending tribunal proceedings or establishing new tribunal**

- (1) The chief executive may decide not to establish a tribunal when a document starting tribunal proceedings is filed, if the chief executive considers it is not reasonably practicable to establish a tribunal.

Examples of when it is not reasonably practicable to establish a tribunal—

- (2) If the chief executive considers a tribunal established for tribunal proceedings—

(a) does not have the expertise to hear or decide the proceedings; or

(b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example); the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.

- (3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.

- (4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.

- (5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the chief

executive gives the decision notice to the party who started the proceedings.

- (6) The decision notice must state the effect of subsection (5).

#### **245 Refunding fees**

The chief executive may, but need not, refund all or part of the fee paid to start proceedings if the chief executive decides under section 244—

- (a) not to establish a tribunal; or
- (b) to end the proceedings.

#### **246 Further material for tribunal proceedings**

- (1) The registrar may, at any time, ask a person to give the registrar any information that the registrar reasonably requires for the proceedings.

Examples of information that the registrar may require—

- material about the proceedings (plans, for example)
- information to help the chief executive decide whether to excuse noncompliance under section 243
- for a deemed refusal—a statement of the reasons why the entity responsible for deciding the application had not decided the application during the period for deciding the application.

- (2) The person must give the information to the registrar within 10 business days after the registrar asks for the information.

#### **247 Representation of Minister if State interest involved**

- (4) Otherwise, the tribunal must give notice of the time and place of the hearing to all parties.

- (5) The tribunal may decide the proceedings without a party's submission (written or oral) if—

- (a) for proceedings to be decided on submissions—the party's submission is not received within the time stated in the notice given under subsection (3); or

- (1) A tribunal may decide that the tribunal has no jurisdiction for tribunal proceedings, at any time before the proceedings are decided—
  - (a) on the tribunal's initiative; or
  - (b) on the application of a party.
- (2) If the tribunal decides that the tribunal has no jurisdiction, the tribunal must give a decision notice about the decision to all parties to the proceedings.
- (3) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the tribunal gives the decision notice to the party who started the proceedings.

(3) However, the tribunal must not make a change, other than a minor change, to a development application.

(4) The tribunal's decision takes the place of the decision appealed against.

(5) The tribunal's decision starts to have effect—
