# We Love Our Region

Goondiwindi offers a modern country lifestyle in a family-friendly and incredibly safe environment. Although Goondiwindi is a substantially sized country town, it has the intimate feel of a small, rural settlement.

The community is close and most welcoming. At any number of the restaurants, cafes, shops or hotels in town, the staff will provide you with a level of service usually reserved for more urbane locations. Guests are regularly surprised by the breadth of retail options, and our clothing shops are well known for their quality and style. Everyone will go above and beyond to help make your event memorable for all the right reasons.

A thriving  
country town  
situated on the  
Macintyre River  
near the QLD -  
NSW border.

Goondiwindi is a thriving country town situated on the Macintyre River near the Queensland – New South Wales border, and is home to around 6000 locals. With 5 major highways intersecting at Goondiwindi, we are a gateway to the outback and natural access point to Queensland for interstate travellers, making it easy for everyone to get here. It is the commercial centre of a vast agricultural and pastoral region, producing cotton, grain, wool, beef, lamb and pork. At every opportunity we love to incorporate this agricultural theme into your event to make an authentic and genuine country experience for your guests. Goondiwindi also has plenty of options for shopping, dining and entertainment and is a pretty and welcoming town, with tree-lined streets, well-kept gardens and abundant wildlife.

You'll find it's a vibrant, contemporary place with excellent facilities and amenities. We are experienced in hosting a broad spectrum of event options from conference and training facilities, to equestrian extravaganzas, concerts, car rallies and major sporting events. We love our adventure sports with offroad motorsport racing and water ski championships to name a couple. August showcases our passion for all things equestrian offering everything from race days, cutting competitions, rodeos, to polo and polocrosse.

Our sporting facilities reflect our active lifestyle with an 18 hole golf course, international standard water ski park, 4 cricket fields, 3 rugby fields, 2 indoor netball, and 10 outdoor netball courts, an AFL field, 3 soccer fields, 2 lawn bowls greens, 5 tennis courts, a public swimming pool and a local gym. Our community participation and volunteer base is second to none. For example, The Hell of the West triathlon held in the very warm summer months, an event on the national triathlon calendar, caters for over 700 participants, which would not be possible without the 300 plus volunteers pitching in to help out.

# Council support for events

Goondiwindi Regional Council is committed to supporting local events towards success

Our region has a rich and enthusiastic history devoted to family, sport and agriculture. This combined with our country spirit and community pride means we are an active region when it comes to community groups driving a broad range of activities and events.

There are several ways Council supports events being delivered in our region:

Community Development and Events Coordinator – Council is keen to see all events achieve their goals, and our dedicated Community Development and Events Coordinator can help! Of significance, the officer can help offer suggestions about local options, navigate requests to be made of Council in setting up your event, or assist in putting you in contact with the right local people. The Community Development and Events Coordinator would love to hear what some of your favourite experiences have been at other locations, and any other ideas that you have for making the Goondiwindi event, one of the best ever!

Council Events Calendar – Located on the Council's webpage [www.grc.qld.gov.au](http://www.grc.qld.gov.au) you can scan for other events to avoid a clash of dates.

Not for Profit Community Database – Council maintains a Community group database, and can easily make contact with local groups that may be able to provide assistance (for a charitable donation) in delivering your event.

Goondiwindi Regional Council's Tourism Event Grant, for events that support people travelling to our region. See [www.grc.qld.gov.au/tourism-event-grant](http://www.grc.qld.gov.au/tourism-event-grant) for more information.

Goondiwindi Regional Council Community Grants – Goondiwindi Regional Council currently has a Community Grants and Donations funding program. You can learn more by visiting – [www.grc.qld.gov.au/residents/donations-grants/community-grants-donations](http://www.grc.qld.gov.au/residents/donations-grants/community-grants-donations).

# Experience

## Our region's experience in hosting events

### Hell of the West

The Hell of the West turned 30 in 2021, having grown in popularity to become one of Queensland's most notorious triathlons. This event is widely acknowledged as a fantastic local initiative with benefits for both participants & the wider community. The event draws over 900 participants each year plus spectators, coaches and families to our community. With over 300 local volunteers supporting it.

### Talwood Pink Ladies Day

Weengallon Pink Ladies ran for two decades and over 600 women descended to the 'blink and you miss it' town of Weengallon for a day of over-the-top glamour, joy and fun. There were markets, guest speakers, sparkles, fashion, art and a lunch showcasing local produce. One of their events raised over \$30,000 for Breast Care and a local cancer patient service. The event is now held in Talwood and is run by the Toowoomba Hospital Foundation.

### Rotary Gourmet in Gundy

The Gourmet in Gundy festival is a family fun day combining food, wine and photography from across the darling downs region. With over 2000 attendees catered for on a spring day, and combines with a range of other local activities e.g. Race Day, 2 day Gun Shoot, Aero Club Fly-In breakfast and the Gundy Medical Muster for a weekend of fun for all.

### GRDC Conference

Each year the Goondiwindi Waggamba Community Cultural Centre hosts the GRDC Goondiwindi Update with up to 350 agronomists and growers from as far as Central Queensland and the Liverpool Plains.

### Gundy Medical Muster

The Gundy Medical Muster developed by local clinicians, aims to provide education and networking opportunities for health professionals, as well as showcasing the country lifestyle to potential medical recruits. The full program includes the opportunity for partners and children to participate in the Goondiwindi Cotton Tours, PCYC activities, and Indigenous Bush Tucker tours. The event makes the most of the Goondiwindi Civic Centre state of the art technology for their presentation.

### Albins ARB 400 Offroad

The Albins Offroad 400 Rally is an amazing showcase of adventure sport. Each year the event attracts over 60 teams with a large support crew, fan base and of course their custom cars for four days of racing.

### QLD Sport - QLD Rugby

In the past, Goondiwindi has hosted the State Primary Schools Rugby Union Carnival, and the State Primary Rugby League Carnival. Hundreds of students and their families descended on Goondiwindi and enjoyed the fabulous sporting facilities.

### Goondiwindi B&S Ball

The Goondiwindi Bachelor and Spinster (B&S) Ball, known as the Plucked Duck is a local fundraising event for the young and young at heart to get together for a fantastic night of live entertainment. High profile national and international bands perform, with crowds of 3,000 plus. B&S Balls have long been a tradition in regional Australia and whilst originally it was an opportunity for rural and remote folk to come together to meet potential partners, these days people from all backgrounds attend.

# Medical Services

A broad range of medical and allied health services available

Being a town passionate about participation in sport, we are comforted that, in the case of an emergency, we have a broad range of medical and allied health services available.

The Goondiwindi Hospital provides the community with general medicine, general surgery, obstetrics, long stay care, paediatrics, emergency, high dependency care, outpatients, palliative care and acute care services.

Other Allied Health: Ambulance, Chiropractor, Dentists, Massage, Medical Centres, Physiotherapy, Occupational Therapy, Radiography, Social Work, Dietetics, Tele Health, Speech and Pathology.
