Description of changes

Existing Condition 13

Proposed Changes – Condition 13

13. DELETED

13. Landscaping shall be provided in accordance with Schedule 6.3 – Planning Scheme Policy 1 – Land Development Standards of the *Goondiwindi Region Planning Scheme 2018 (Version 2)* generally in accordance with the Approved Site Plan, with a minimum of:

- a) Street frontage landscaping shall be planted within the existing grassed areas along the site's Riddle Street frontage with a minimum width of 2.5m.

All landscaping and tree plantings are to be planted and maintained to the satisfaction of a qualified Council Officer. A bond for the amount of **\$656.25** is to be submitted prior to the issue of a building approval for the maintenance of landscaping.

If the landscaping complies with Schedule 6.3 – Planning Scheme Policy 1 – Land Development Standards of the *Goondiwindi Region Planning Scheme 2018 (Version 2)*, the applicant will be advised in writing that the bond is accepted.

The bond holding time starts from the acceptance of works. Council must be contacted by the applicant to request an inspection of the landscaping as soon as possible after completion of planting and payment of bond. The bond shall be returned in accordance with the following schedule if the landscaping meets the criteria:

Time from acceptance of landscaping works	Criteria	Bond Refund / Reduction
9 months – From acceptance of works	Landscaping conforms to requirements, is established and maintained.	50%

	Adequate provision for on-going watering and growth. Any/all replacement plants are provided.	
18 months – From acceptance of works	Landscaping is well established (as a guide >50% full growth depending on species). All replacement plants are established. The landscaping intent is being achieved.	25%
24 months – From acceptance of works	Landscaping is fully established, or within 80% depending on species.	25%

After the required bond holding time has passed, a refund of bond monies will only be considered upon a written request from the person who paid the bond once the required bond holding time has been completed.

A qualified Council Officer may inspect landscaping plantings to ensure compliance with this condition and acceptance of the works.

Council will hold the funds in trust for a maximum of three years, at which time should work not be carried out and maintained to Council's satisfaction, the bond will be used by Council to have the works performed unless an extension of time is requested by the land owner or applicant and approved by Council. To clarify, bonds can only be refunded upon a written request from the person who paid the bond upon the works being satisfactorily maintained for the required bond holding time.

Recommendation: Make change as requested.

Part 2 Development tribunal

Division 1 General

233 Appointment of referees

(1) The Minister, or chief executive, (the appointer) may appoint a person to be a referee, by an appointment notice, if the appointer considers the person—

(a) has the qualifications or experience prescribed by regulation; and

(b) has demonstrated an ability—

(i) to negotiate and mediate outcomes between parties to a proceeding; and

(ii) to apply the principles of natural justice;
and

(iii) to analyse complex technical issues;
and

(iv) to communicate effectively, including,
for example, to write informed succinct and
well-organised decisions, reports,
submissions or other documents.

(2) The appointer may—

(a) appoint a referee for the term, of not more
than 3 years, stated in the appointment notice;
and

(b) reappoint a referee, by notice, for further
terms of not more than 3 years.

(3) If an appointer appoints a public service officer as
a referee, the officer holds the appointment
concurrently with any other appointment that the
officer holds in the public service.

(4) A referee must not sit on a tribunal unless the
referee has given a declaration, in the approved
form and signed by the referee, to the chief
executive.

(5) The appointer may cancel a referee's
appointment at any time by giving a notice,
signed by the appointer, to the referee.

(6) A referee may resign the referee's appointment
at any time by giving a notice, signed by the
referee, to the appointer.

(7) In this section—

appointment notice means—

notice given to the person appointed as a referee.

234 Referee with conflict of interest

(1) This section applies if the chief executive informs
a referee that the chief executive proposes to
appoint the referee as a tribunal member, and
either or both of the following apply—

(a) the tribunal is to hear a matter about
premises—

(i) the referee owns; or

(ii) for which the referee was, is, or is to be,
an architect, builder, drainer, engineer,
planner, plumber, plumbing inspector,
certifier, site evaluator or soil assessor; or

(iii) for which the referee has been, is, or will
be, engaged by any party in the referee's
capacity as an accountant, lawyer or other
professional; or

(iv) situated or to be situated in the area of
a local government of which the referee is
an officer, employee or councillor;

(b) the referee has a direct or indirect personal
interest in a matter to be considered by the
tribunal, and the interest could conflict with the
proper performance of the referee's functions for
the tribunal's consideration of the matter.

(2) However, this section does not apply to a referee
only because the referee previously acted in
relation to the preparation of a relevant local
planning instrument.

(3) The referee must notify the chief executive that
this section applies to the referee, and on doing
so, the chief executive must not appoint the
referee to the tribunal.

(4) If a tribunal member is, or becomes, aware the
member should not have been appointed to the
tribunal, the member must not act, or continue to
act, as a member of the tribunal.

235 Establishing development tribunal

241 Application for declaration about change to development approval

- (1) This section applies to a change application for a development approval if—*
 - (a) the approval is for a material change of use of premises that involves the use of a classified building; and*
 - (b) the responsible entity for the change application is not the P&E Court.*
- (2) The applicant, or responsible entity, for the change application may start proceedings for a*

declaration about whether the proposed change to the approval is a minor change.

 - (b) the document does not comply with any requirement under this Act for validly starting the proceedings.
- (2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).
- (3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect,

because of the noncompliance, to the person who filed the document.

- (4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.
- (5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

244 Ending tribunal proceedings or establishing new tribunal

- (1) The chief executive may decide not to establish a tribunal when a document starting tribunal proceedings is filed, if the chief executive considers it is not reasonably practicable to establish a tribunal.

Examples of when it is not reasonably practicable to establish a tribunal—

- the referees who are available will not be able to decide the proceedings in a timely way

- (2) If the chief executive considers a tribunal established for tribunal proceedings—

(a) does not have the expertise to hear or decide the proceedings; or

(b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example); the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.

- (3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.
- (4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.

- (5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the chief

- material about the proceedings (plans, for example)*
- information to help the chief executive decide whether to excuse noncompliance under section 243*
- for a deemed refusal—a statement of the reasons why the entity responsible for deciding the application had not decided the application during the period for deciding the application.*

- (2) *The person must give the information to the registrar within 10 business days after the registrar asks for the information.*

- (1) A tribunal may decide that the tribunal has no jurisdiction for tribunal proceedings, at any time before the proceedings are decided—
 - (a) on the tribunal's initiative; or

(3) However, the tribunal must not make a change, other than a minor change, to a development application.

(4) The tribunal's decision takes the place of the decision appealed against.

(5) The tribunal's decision starts to have effect—

(a) if a party does not appeal the decision—at the end of the appeal period for the decision; or

(b) if a party appeals against the decision to the P&E Court—subject to the decision of the court, when the appeal ends.
