The following information is provided in accordance with section 63 (5) of the *Planning Act 2016* and must be published on the assessment managers website.

The development application for "Accommodation activities" – "Dual Occupancy"

26/17

189 Marshall Street and Frideswide Street, Goondiwindi

Lots 1 & 2 on RP153147 (Proposed Lot 1)

On 3 August 2026, the above development application was

- ☐ approved in full or
- ☐ approved in part for _____ or
- ☒ approved in full with conditions or
- ☐ approved in part for _____, with conditions or
- ☐ refused.

1. Reasons for the decision

The reasons for this decision are:

- Having regard to the relevant criteria in the *Goondiwindi Region Planning Scheme 2018 (Version 2)*, the proposed development satisfied all relevant criteria, and was approved subject to appropriate, relevant and reasonable conditions.

2. Assessment benchmarks

The following are the benchmarks applying for this development:

Benchmarks applying for the development	Benchmark reference
General Residential Zone Code	PO1-PO5
Accommodation Activities Code	PO3-PO7
Transport & Infrastructure Code	PO1-PO15
Flood Hazard Overlay Code	PO1-PO4
Natural Resources Overlay Code	PO5-PO8

3. Compliance with benchmarks

Benchmark reference	Reasons for the approval despite non-compliance with benchmark
General Residential Zone Code AO3.1 Buildings and structures, other than <i>garden structures</i> , are <i>setback</i> a minimum of: (a) 6 metres from the <i>primary road frontage</i> ; and (b) 4.5 metres from a secondary road frontage.	AO3.1 Complies The units are set back 6.1m from Frideswide Street.

Benchmark reference	Reasons for the approval despite non-compliance with benchmark
AO3.2 Buildings and structures, other than <i>garden structures</i>, are <i>setback</i> a minimum of 1.5 metres from each side boundary and rear boundary. AO3.3 Extensions to existing buildings and structures already located within the boundary setback: (a) the existing building line is maintained AO3.4 Replacement of an existing building and structure, where the existing building and structure was located within the boundary setback: (a) the new building boundary setback is no closer to any property boundary than the existing building being replaced.	AO3.2 Alternative Solution The site plan shows that Unit 2 will be setback a minimum of 1.4m to the new southern boundary. The proposed reduced setback fronts the balance of the development (Ref: 26/18) and will not detract from the amenity of established residential premises. AO3.3 Not Applicable AO3.4 Not Applicable
Transport & Infrastructure Code	
AO12.1 All on-site vehicle parking, manoeuvring, loading and unloading areas are designed and constructed in accordance with <i>Australian Standard AS2890</i> and SC6.2 – Planning Scheme Policy 1 – Land Development Standards. AO12.2 Development provides for all vehicles to enter and exit the site in forward gear.	AO12.1 Condition to Comply Conditions will be applied to ensure access and parking is provided in accordance with the relevant standards. AO12.2 Alternative Solution The design and layout of the development does not provide for vehicles to enter and exit in a forward gear. Based on the scale and nature of the use, the proposal is considered to be acceptable in this instance.
Natural Resources Overlay Code	
P07 Development for <i>accommodation activities</i> and other <i>sensitive land uses</i> in proximity to ALC Class A and Class B land is located and designed in a manner that: (a) avoids land use conflicts; (b) avoids the alienation of the resource; (c) mitigates adverse impacts from agricultural activities, including chemical spray drift, odour, noise, dust, smoke and ash; and (d) does not adversely affect public health, safety and amenity.	Performance Solution The proposed development involves a residential development on urban zoned land. The proposed development would not impact on agricultural activities nor result in land use conflicts or the alienation of the resource.
P08 Development for non-agricultural purposes is located, designed and constructed to minimise adverse impacts of sediment and stormwater run-off on ALC Class A and Class B land.	Performance Solution The subject site is mapped as Class A & B agricultural land, however the proposed development involves a residential development on urban zoned land, which is considered appropriate for the subject site. The collection and discharge of stormwater can be conditioned as part of an approval.

Part 2 Development tribunal

Division 1 General

233 Appointment of referees

(1) The Minister, or chief executive, (the appointer) may appoint a person to be a referee, by an appointment notice, if the appointer considers the person—

(a) has the qualifications or experience prescribed by regulation; and

(b) has demonstrated an ability—

(i) to negotiate and mediate outcomes between parties to a proceeding; and

(ii) to apply the principles of natural justice;
and

(iii) to analyse complex technical issues;
and

(iv) to communicate effectively, including,
for example, to write informed succinct and
well-organised decisions, reports,
submissions or other documents.

(2) The appointer may—

(a) appoint a referee for the term, of not more
than 3 years, stated in the appointment notice;
and

(b) reappoint a referee, by notice, for further
terms of not more than 3 years.

(3) If an appointer appoints a public service officer as
a referee, the officer holds the appointment
concurrently with any other appointment that the
officer holds in the public service.

(4) A referee must not sit on a tribunal unless the
referee has given a declaration, in the approved
form and signed by the referee, to the chief
executive.

(5) The appointer may cancel a referee's
appointment at any time by giving a notice,
signed by the appointer, to the referee.

(6) A referee may resign the referee's appointment
at any time by giving a notice, signed by the
referee, to the appointer.

(7) In this section—

appointment notice means—

(a) if the Minister gives the notice—a gazette
notice; or

(b) if the chief executive gives the notice—a
notice given to the person appointed as a referee.

234 Referee with conflict of interest

(1) This section applies if the chief executive informs
a referee that the chief executive proposes to
appoint the referee as a tribunal member, and
either or both of the following apply—

(a) the tribunal is to hear a matter about
premises—

(i) the referee owns; or

(ii) for which the referee was, is, or is to be,
an architect, builder, drainer, engineer,
planner, plumber, plumbing inspector,
certifier, site evaluator or soil assessor; or

(iii) for which the referee has been, is, or will
be, engaged by any party in the referee's
capacity as an accountant, lawyer or other
professional; or

(iv) situated or to be situated in the area of
a local government of which the referee is
an officer, employee or councillor;

(b) the referee has a direct or indirect personal
interest in a matter to be considered by the
tribunal, and the interest could conflict with the
proper performance of the referee's functions for
the tribunal's consideration of the matter.

(2) However, this section does not apply to a referee
only because the referee previously acted in
relation to the preparation of a relevant local
planning instrument.

(3) The referee must notify the chief executive that
this section applies to the referee, and on doing
so, the chief executive must not appoint the
referee to the tribunal.

(4) If a tribunal member is, or becomes, aware the
member should not have been appointed to the
tribunal, the member must not act, or continue to
act, as a member of the tribunal.

235 Establishing development tribunal

(1) The chief executive may at any time establish a
tribunal, consisting of up to 5 referees, for tribunal
proceedings.

(2) The chief executive may appoint a referee for
tribunal proceedings if the chief executive
considers the referee has the qualifications or
experience for the proceedings.

(3) The chief executive must appoint a referee as the
chairperson for each tribunal.

(4) A regulation may specify the qualifications or
experience required for particular proceedings.

(5) After a tribunal is established, the tribunal's

 - (d) hear 2 or more appeals or applications for a declaration together.*
- (4) A regulation may provide for—*
 - (a) the way in which a tribunal is to operate, including the qualifications of the chairperson of the tribunal for particular proceedings; or*
 - (b) the required fee for tribunal proceedings.*

238 Registrar and other officers

- (1) The chief executive may, by gazette notice, appoint—*
 - (a) a registrar; and*
 - (b) other officers (including persons who are public service officers) as the chief executive considers appropriate to help a tribunal perform its functions.*
- (2) A person may hold the appointment or assist concurrently with any other public service appointment that the person holds.*

- (1) The following persons may start proceedings for a declaration about whether a development application is properly made—*

- (b) if the assessment manager started the proceedings—the applicant.*

241 Application for declaration about change to development approval

- (1) This section applies to a change application for a development approval if—*
 - (a) the approval is for a material change of use of premises that involves the use of a classified building; and*
 - (b) the responsible entity for the change application is not the P&E Court.*
- (2) The applicant, or responsible entity, for the change application may start proceedings for a*

declaration about whether the proposed change to the approval is a minor change.

- (3) The registrar must, within 10 business days after the proceedings start, give notice of the proceedings to the respondent as a party to the proceedings.

(4) In this section—

respondent means—

- (a) if the applicant started the proceedings—the responsible entity; or
- (b) if the responsible entity started the proceedings—the applicant.

- (c) give notice of the establishment of the tribunal to each party to the proceedings.

243 Chief executive excusing noncompliance

(1) This section applies if—

- (a) the registrar receives a document purporting to start tribunal proceedings, accompanied by the required fee; and
- (b) the document does not comply with any requirement under this Act for validly starting the proceedings.

(2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).

(3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect,

because of the noncompliance, to the person who filed the document.

(4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.

(5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

244 Ending tribunal proceedings or establishing new tribunal

(1) The chief executive may decide not to establish a tribunal when a document starting tribunal proceedings is filed, if the chief executive considers it is not reasonably practicable to establish a tribunal.

Examples of when it is not reasonably practicable to establish a tribunal—

- there are no qualified referees or insufficient qualified referees because of a conflict of interest
- the referees who are available will not be able to decide the proceedings in a timely way

(2) If the chief executive considers a tribunal established for tribunal proceedings—

(a) does not have the expertise to hear or decide the proceedings; or

(b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example); the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.

(3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.

(4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.

(5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the chief

executive gives the decision notice to the party who started the proceedings.

- (6) The decision notice must state the effect of subsection (5).

245 Refunding fees

The chief executive may, but need not, refund all or part of the fee paid to start proceedings if the chief executive decides under section 244—

- (a) not to establish a tribunal; or
- (b) to end the proceedings.

246 Further material for tribunal proceedings

- (1) The registrar may, at any time, ask a person to give the registrar any information that the registrar reasonably requires for the proceedings.

Examples of information that the registrar may require—

- material about the proceedings (plans, for example)
- information to help the chief executive decide whether to excuse noncompliance under section 243
- for a deemed refusal—a statement of the reasons why the entity responsible for deciding the application had not decided the application during the period for deciding the application.

- (2) The person must give the information to the registrar within 10 business days after the registrar asks for the information.

247 Representation of Minister if State interest involved

If, before tribunal proceedings are decided, the Minister decides the proceedings involve a State interest, the Minister may be represented in the proceedings.

248 Representation of parties at hearing

A party to tribunal proceedings may appear—

- (a) in person; or
- (b) by an agent who is not a lawyer.

249 Conduct of tribunal proceedings

- (1) Subject to section 237, the chairperson of a tribunal must decide how tribunal proceedings are to be conducted.

- (2) The tribunal may decide the proceedings on submissions if the parties agree.

- (3) If the proceedings are to be decided on submissions, the tribunal must give all parties a notice asking for the submissions to be made to the tribunal within a stated reasonable period.

- (4) Otherwise, the tribunal must give notice of the time and place of the hearing to all parties.

- (5) The tribunal may decide the proceedings without a party's submission (written or oral) if—

- (a) for proceedings to be decided on submissions—the party's submission is not received within the time stated in the notice given under subsection (3); or
- (b) for proceedings to be decided by hearing—the person, or the person's agent, does not appear at the hearing.

- (6) When hearing proceedings, the tribunal—

- (a) need not proceed in a formal way; and
- (b) is not bound by the rules of evidence; and
- (c) may inform itself in the way it considers appropriate; and
- (d) may seek the views of any person; and
- (e) must ensure all persons appearing before the tribunal have a reasonable opportunity to be heard; and
- (f) may prohibit or regulate questioning in the hearing.

- (7) If, because of the time available for the proceedings, a person does not have an opportunity to be heard, or fully heard, the person may make a submission to the tribunal.

250 Tribunal directions or orders

A tribunal may, at any time during tribunal proceedings, make any direction or order that the tribunal considers appropriate.

Examples of directions—

- a direction to an applicant about how to make their development application comply with this Act
- a direction to an assessment manager to assess a development application, even though the referral agency's response to the assessment manager was to refuse the application

251 Matters tribunal may consider

- (1) This section applies to tribunal proceedings about—
 - (a) a development application or change application; or
 - (b) an application or request (however called) under the Building Act or the Plumbing and Drainage Act.
- (2) The tribunal must decide the proceedings based on the laws in effect when—
 - (a) the application or request was properly made; or
 - (b) if the application or request was not required to be properly made—the application or request was made.
- (3) However, the tribunal may give the weight that the tribunal considers appropriate, in the circumstances, to any new laws.

252 Deciding no jurisdiction for tribunal proceedings

- (1) A tribunal may decide that the tribunal has no jurisdiction for tribunal proceedings, at any time before the proceedings are decided—
 - (a) on the tribunal's initiative; or
 - (b) on the application of a party.
- (2) If the tribunal decides that the tribunal has no jurisdiction, the tribunal must give a decision notice about the decision to all parties to the proceedings.
- (3) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the tribunal gives the decision notice to the party who started the proceedings.

- (4) The decision notice must state the effect of subsection (3).
- (5) If the tribunal decides to end the proceedings, the fee paid to start the proceedings is not refundable.

253 Conduct of appeals

- (1) This section applies to an appeal to a tribunal.
- (2) Generally, the appellant must establish the appeal should be upheld.
- (3) However, for an appeal by the recipient of an enforcement notice, the enforcement authority that gave the notice must establish the appeal should be dismissed.
- (4) The tribunal must hear and decide the appeal by way of a reconsideration of the evidence that was before the person who made the decision appealed against.
- (5) However, the tribunal may, but need not, consider—
 - (a) other evidence presented by a party to the appeal with leave of the tribunal; or
 - (b) any information provided under section 246.

254 Deciding appeals to tribunal

- (1) This section applies to an appeal to a tribunal against a decision.
- (2) The tribunal must decide the appeal by—

 - (ii) deciding the application.

(3) However, the tribunal must not make a change, other than a minor change, to a development application.

(4) The tribunal's decision takes the place of the decision appealed against.

(5) The tribunal's decision starts to have effect—

(a) if a party does not appeal the decision—at the end of the appeal period for the decision; or

(b) if a party appeals against the decision to the P&E Court—subject to the decision of the court, when the appeal ends.

255 Notice of tribunal's decision

A tribunal must give a decision notice about the tribunal's decision for tribunal proceedings, other than for any directions or interim orders given by the tribunal, to all parties to proceedings.

256 No costs orders

A tribunal must not make any order as to costs.

(1) This section applies if, under this chapter, an action for tribunal proceedings must be taken within a stated period or before a stated time, even if the period has ended or the time has passed.

(2) The tribunal may allow a longer period or a different time to take the action if the tribunal considers there are sufficient grounds for the extension.

259 Publication of tribunal decisions

The registrar must publish tribunal decisions under the arrangements, and in the way, that the chief executive decides.
