The proposed setback is generally consistent with adjoining buildings and will not detract from the amenity of Callandoon Lane. **Not Applicable**
AO5 *Site cover* does not exceed 75%.	**Alternative Solution** Site cover exceeds 75%. However, the proposal is an extension to an existing building and is consistent with the scale and intensity of the adjoining built form.

231 Other appeals

(1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.

(2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.

(3) A person who, but for subsection (1) could have made an application under the Judicial Review Act 1991 in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.

(2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

Part 2 Development tribunal

Division 1 General

233 Appointment of referees

(1) The Minister, or chief executive, (the appointer) may appoint a person to be a referee, by an appointment notice, if the appointer considers the person—

(a) has the qualifications or experience prescribed by regulation; and

(b) has demonstrated an ability—

(i) to negotiate and mediate outcomes between parties to a proceeding; and

(ii) to apply the principles of natural justice; and

(iii) to analyse complex technical issues; and

(iv) to communicate effectively, including, for example, to write informed succinct and well-organised decisions, reports, submissions or other documents.

(2) The appointer may—

(a) appoint a referee for the term, of not more than 3 years, stated in the appointment notice; and

(b) reappoint a referee, by notice, for further terms of not more than 3 years.

(3) If an appointer appoints a public service officer as a referee, the officer holds the appointment concurrently with any other appointment that the officer holds in the public service.

(4) A referee must not sit on a tribunal unless the referee has given a declaration, in the approved form and signed by the referee, to the chief executive.

(5) The appointer may cancel a referee's appointment at any time by giving a notice, signed by the appointer, to the referee.

(6) A referee may resign the referee's appointment at any time by giving a notice, signed by the referee, to the appointer.

(7) In this section—

appointment notice means—

(a) if the Minister gives the notice—a gazette notice; or

(b) if the chief executive gives the notice—a notice given to the person appointed as a referee.

234 Referee with conflict of interest

(1) This section applies if the chief executive informs a referee that the chief executive proposes to appoint the referee as a tribunal member, and either or both of the following apply—

(a) the tribunal is to hear a matter about premises—

(i) the referee owns; or

(ii) for which the referee was, is, or is to be, an architect, builder, drainer, engineer, planner, plumber, plumbing inspector, certifier, site evaluator or soil assessor; or

(iii) for which the referee has been, is, or will be, engaged by any party in the referee's capacity as an accountant, lawyer or other professional; or

(iv) situated or to be situated in the area of a local government of which the referee is an officer, employee or councillor;

(b) the referee has a direct or indirect personal interest in a matter to be considered by the tribunal, and the interest could conflict with the proper performance of the referee's functions for the tribunal's consideration of the matter.

(2) However, this section does not apply to a referee only because the referee previously acted in relation to the preparation of a relevant local planning instrument.

(3) The referee must notify the chief executive that this section applies to the referee, and on doing so, the chief executive must not appoint the referee to the tribunal.

(4) If a tribunal member is, or becomes, aware the member should not have been appointed to the tribunal, the member must not act, or continue to act, as a member of the tribunal.

235 Establishing development tribunal

(1) The chief executive may at any time establish a tribunal, consisting of up to 5 referees, for tribunal proceedings.

(2) The chief executive may appoint a referee for tribunal proceedings if the chief executive considers the referee has the qualifications or experience for the proceedings.

(3) The chief executive must appoint a referee as the chairperson for each tribunal.

(4) A regulation may specify the qualifications or experience required for particular proceedings.

(5) After a tribunal is established, the tribunal's membership must not be changed.

236 Remuneration

A tribunal member must be paid the remuneration the Governor in Council decides.

237 Tribunal proceedings

(1) A tribunal must ensure all persons before the tribunal are afforded natural justice.

(2) A tribunal must make its decisions in a timely way.

(3) A tribunal may—

(a) conduct its business as the tribunal considers appropriate, subject to a regulation made for this section; and

(b) sit at the times and places the tribunal decides; and

(c) hear an appeal and application for a declaration together; and

(d) hear 2 or more appeals or applications for a declaration together.

(4) A regulation may provide for—

(a) the way in which a tribunal is to operate, including the qualifications of the chairperson of the tribunal for particular proceedings; or

(b) the required fee for tribunal proceedings.

238 Registrar and other officers

(1) The chief executive may, by gazette notice, appoint—

(a) a registrar; and

(b) other officers (including persons who are public service officers) as the chief executive considers appropriate to help a tribunal perform its functions.

(2) A person may hold the appointment or assist concurrently with any other public service appointment that the person holds.

Division 2 Applications for declarations

239 Starting proceedings for declarations

(1) A person may start proceedings for a declaration by a tribunal by filing an application, in the approved form, with the registrar.

(2) The application must be accompanied by the required fee.

240 Application for declaration about making of development application

(1) The following persons may start proceedings for a declaration about whether a development application is properly made—

(a) the applicant;

(b) the assessment manager.

(2) However, a person may not seek a declaration under this section about whether a development application is accompanied by the written consent of the owner of the premises to the application.

(3) The proceedings must be started by—

(a) the applicant within 20 business days after receiving notice from the assessment manager, under the development assessment rules, that the development application is not properly made; or

(b) the assessment manager within 10 business days after receiving the development application.

(4) The registrar must, within 10 business days after the proceedings start, give notice of the proceedings to the respondent as a party to the proceedings.

(a) if the applicant started the proceedings—the assessment manager; or

(b) if the assessment manager started the proceedings—the applicant.

241 Application for declaration about change to development approval

(1) This section applies to a change application for a development approval if—

(a) the approval is for a material change of use of premises that involves the use of a classified building; and

(b) the responsible entity for the change application is not the P&E Court.

(2) The applicant, or responsible entity, for the change application may start proceedings for a

declaration about whether the proposed change to the approval is a minor change.

(3) The registrar must, within 10 business days after the proceedings start, give notice of the proceedings to the respondent as a party to the proceedings.

(4) In this section—

***respondent** means—*

(a) if the applicant started the proceedings—the responsible entity; or

(b) if the responsible entity started the proceedings—the applicant.

Division 3 Tribunal proceedings for appeals and declarations

242 Action when proceedings start

If a document starting tribunal proceedings is filed with the registrar within the period required under this Act, and is accompanied by the required fee, the chief executive must—

(a) establish a tribunal for the proceedings; and

(b) appoint 1 of the referees for the tribunal as the tribunal's chairperson, in the way required under a regulation; and

(c) give notice of the establishment of the tribunal to each party to the proceedings.

243 Chief executive excusing noncompliance

(1) This section applies if—

(a) the registrar receives a document purporting to start tribunal proceedings, accompanied by the required fee; and

(b) the document does not comply with any requirement under this Act for validly starting the proceedings.

(2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).

(3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect, because of the noncompliance, to the person who filed the document.

(4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.

(5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

244 Ending tribunal proceedings or establishing new tribunal

(1) The chief executive may decide not to establish a tribunal when a document starting tribunal proceedings is filed, if the chief executive considers it is not reasonably practicable to establish a tribunal.

Examples of when it is not reasonably practicable to establish a tribunal—

• there are no qualified referees or insufficient qualified referees because of a conflict of interest

• the referees who are available will not be able to decide the proceedings in a timely way

(2) If the chief executive considers a tribunal established for tribunal proceedings—

(a) does not have the expertise to hear or decide the proceedings; or

(b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example); the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.

(3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.

(4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.

(5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the chief

executive gives the decision notice to the party who started the proceedings.

(6) The decision notice must state the effect of subsection (5).

245 Refunding fees

The chief executive may, but need not, refund all or part of the fee paid to start proceedings if the chief executive decides under section 244—

(a) not to establish a tribunal; or

(b) to end the proceedings.

246 Further material for tribunal proceedings

(1) The registrar may, at any time, ask a person to give the registrar any information that the registrar reasonably requires for the proceedings.

Examples of information that the registrar may require—

• material about the proceedings (plans, for example)

• information to help the chief executive decide whether to excuse noncompliance under section 243

• for a deemed refusal—a statement of the reasons why the entity responsible for deciding the application had not decided the application during the period for deciding the application.

(2) The person must give the information to the registrar within 10 business days after the registrar asks for the information.

247 Representation of Minister if State interest involved

If, before tribunal proceedings are decided, the Minister decides the proceedings involve a State interest, the Minister may be represented in the proceedings.

248 Representation of parties at hearing

A party to tribunal proceedings may appear—

(a) in person; or

(b) by an agent who is not a lawyer.

249 Conduct of tribunal proceedings

(1) Subject to section 237, the chairperson of a tribunal must decide how tribunal proceedings are to be conducted.

(2) The tribunal may decide the proceedings on submissions if the parties agree.

(3) If the proceedings are to be decided on submissions, the tribunal must give all parties a notice asking for the submissions to be made to the tribunal within a stated reasonable period.

(4) Otherwise, the tribunal must give notice of the time and place of the hearing to all parties.

(5) The tribunal may decide the proceedings without a party's submission (written or oral) if—

(a) for proceedings to be decided on submissions—the party's submission is not received within the time stated in the notice given under subsection (3); or

(b) for proceedings to be decided by hearing—the person, or the person's agent, does not appear at the hearing.

(6) When hearing proceedings, the tribunal—

(a) need not proceed in a formal way; and

(b) is not bound by the rules of evidence; and

(c) may inform itself in the way it considers appropriate; and

(d) may seek the views of any person; and

(e) must ensure all persons appearing before the tribunal have a reasonable opportunity to be heard; and

(f) may prohibit or regulate questioning in the hearing.

(7) If, because of the time available for the proceedings, a person does not have an opportunity to be heard, or fully heard, the person may make a submission to the tribunal.

250 Tribunal directions or orders

A tribunal may, at any time during tribunal proceedings, make any direction or order that the tribunal considers appropriate.

Examples of directions—

• *a direction to an applicant about how to make their development application comply with this Act*

• *a direction to an assessment manager to assess a development application, even though the referral agency's response to the assessment manager was to refuse the application*

251 Matters tribunal may consider

(1) This section applies to tribunal proceedings about—

(a) a development application or change application; or

(b) an application or request (however called) under the Building Act or the Plumbing and Drainage Act.

(2) The tribunal must decide the proceedings based on the laws in effect when—

(a) the application or request was properly made; or

(b) if the application or request was not required to be properly made—the application or request was made.

(3) However, the tribunal may give the weight that the tribunal considers appropriate, in the circumstances, to any new laws.

252 Deciding no jurisdiction for tribunal proceedings

(1) A tribunal may decide that the tribunal has no jurisdiction for tribunal proceedings, at any time before the proceedings are decided—

(a) on the tribunal's initiative; or

(b) on the application of a party.

(2) If the tribunal decides that the tribunal has no jurisdiction, the tribunal must give a decision notice about the decision to all parties to the proceedings.

(3) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts again when the tribunal gives the decision notice to the party who started the proceedings.

(4) The decision notice must state the effect of subsection (3).

(5) If the tribunal decides to end the proceedings, the fee paid to start the proceedings is not refundable.

253 Conduct of appeals

(1) This section applies to an appeal to a tribunal.

(2) Generally, the appellant must establish the appeal should be upheld.

(3) However, for an appeal by the recipient of an enforcement notice, the enforcement authority that gave the notice must establish the appeal should be dismissed.

(4) The tribunal must hear and decide the appeal by way of a reconsideration of the evidence that was before the person who made the decision appealed against.

(5) However, the tribunal may, but need not, consider—

(a) other evidence presented by a party to the appeal with leave of the tribunal; or

(b) any information provided under section 246.

254 Deciding appeals to tribunal

(1) This section applies to an appeal to a tribunal against a decision.

(2) The tribunal must decide the appeal by—

(a) confirming the decision; or

(b) changing the decision; or

(c) replacing the decision with another decision; or

(d) setting the decision aside, and ordering the person who made the decision to remake the decision by a stated time; or

(e) for a deemed refusal of an application—

(i) ordering the entity responsible for deciding the application to decide the application by a stated time and, if the entity does not comply with the order, deciding the application; or

(ii) deciding the application.

(3) However, the tribunal must not make a change, other than a minor change, to a development application.

(4) The tribunal's decision takes the place of the decision appealed against.

(5) The tribunal's decision starts to have effect—

(a) if a party does not appeal the decision—at the end of the appeal period for the decision; or

(b) if a party appeals against the decision to the P&E Court—subject to the decision of the court, when the appeal ends.

255 Notice of tribunal's decision

A tribunal must give a decision notice about the tribunal's decision for tribunal proceedings, other than for any directions or interim orders given by the tribunal, to all parties to proceedings.

256 No costs orders

A tribunal must not make any order as to costs.

(1) This section applies if, under this chapter, an action for tribunal proceedings must be taken within a stated period or before a stated time, even if the period has ended or the time has passed.

(2) The tribunal may allow a longer period or a different time to take the action if the tribunal considers there are sufficient grounds for the extension.

259 Publication of tribunal decisions

The registrar must publish tribunal decisions under the arrangements, and in the way, that the chief executive decides.
